Impossible.

Improving the Club.

ADA, Okla., Nov. 26.—East Central normal football team returned today from Durant where it suffered a defeat Thursday at the hands of Southeastern normal 19-12. It took only four minutes for the East Central team to rush the ball across for the first touchdown. Three minutes later Garrison sent over for another, but the referee ruled it out saying the ball hit the ground. Southeastern did not score until the third quarter when Palmer went over for a touchdown. In the last quarter Garrison plunged the line for another touchdown and Southeastern got by with two more. The East Central players say that the spectators repeatedly rushed on the ground and prevented them from scoring. Glenn Clark said there was nothing for about the game, that the crowd simply would not let Ada win. The referee time after time reversed his decision, ruling against East Central after dozens of spectators and the umpire, a Durant man, had insisted on a change.

Pimples and Skin Eruptions
Danger Signs of Bad BloodIt May Mean Eczema, Scrofula—The
First Sign of Inherited Blood Disease

Pimples, scaly itching skin, rashes, burning sensations and Scrofula denote with unfailing certainty a debilitated, weakened and impure state of the blood. The trouble may have been in your blood from birth, but no matter how you were infected, you must treat it through the blood. It is a blood disease. You must use S. S. S., the standard blood tonic for 50 years, if you expect certain relief. For purifying the system, nothing is equal to it. The action of S. S. S. is to cleanse the blood. It soaks through the system direct to the seat of the trouble—acting as an antidote to neutralize the blood poisons. It revitalizes the red blood corpuscles, increases the flow so that the blood can properly perform its physical work. The dull sluggish feeling leaves you—the complexion clears up. Even long standing cases respond promptly. But you must take S. S. S. Drugs and substitutes won't do. Get S. S. S. from your druggist. If you have a special case and you need expert advice, write to S. S. S. Co., Atlanta, Ga.
